AAG is now a part of Bashas' Shop and Give program. Every time you grocery shop, AAG will receive 1% of the total before the sales tax.

When you give your Bashas' Thank You Card to the cashier, also give our Shop and Give number **29435**. You will give AAG's number only once. Thereafter, every time you shop Bashas and use your card, you will be supporting AAG with no extra out-of-pocket cost to you. This program ends April 30, 2010.
