

Color Theory Simplified

Nailing the right color palette for your artistic creations can be challenging. Take the guesswork out of how to use color in any piece of art with acclaimed Phoenix artist, Mark Christopher. In his full-day workshop designed for all levels of experience, you'll get hands-on with color theory so you can:

- Recognize, mix, and apply color like never before
- Enjoy tons of live demos
- Explore the artist's own tips and tricks

You'll leave with new tools to make your most expressive and creative work. Ready to take your skills as an artist to bold new heights?
